

Companies with Donation Matching Programs

Through Corporate Matching Gifts, a donation can be made by an employer that matches the amount of an employee's personal donation to a charity of their choice. Through these kinds of programs, companies can help their employees make a larger, more impactful gift.

On the list? Make your donation today at heritagetoronto.org and contact your Human Resources team about your company's matching gift program.

Not on the list? The list below is not exhaustive. Check with your Human Resources department for an existing Donation Matching Program or consider starting one today!
